

## TEAM TEXT MESSAGE ALERTS

In an effort to improve our internal communication, we have established a CVA employee text message alert system. Combined with the employee newsletter, email and the employee only websites, we will use this text messaging system to send important announcements, reminders and information to employees as needed.

Signing up for this system is easy. Simply reference the map on the next page to determine the region or area you are located in. Once you have this you can text the keyword for your designated region to 844-595-0282. Provide your name and you will then be signed up for CVA employee text alerts!
